BOOKING DEADLINE:
OCTOBER 23, 2023

Immersive **van GOGH** Exhibit Toronto

LIGHTHOUSE ARTSPACE TORONTO

1 Yonge Street
Toronto, ON M5E 1W7

THE VAN GOGH EXHIBIT The art that moves:

Today, anyone hearing the name Vincent van Gogh can conjure up one of the vivid paintings that have become his legacy. His art can be found in the most prestigious museums across the globe. From his vibrant sunflowers to his moody landscapes, introspective self portraits, *Starry Night* (1889) and more, Van Gogh's art has become iconic. It's hard to believe that, during his lifetime, Van Gogh's art was not appreciated. He has, in fact, become the art world's archetype of the 'misunderstood genius'.

The Immersive Van Gogh Exhibit, a favourite outing in Toronto, delves into the mind of the artist, bringing his work to life – but with truth often stranger than fiction, is it even possible to untangle the myths from the man?

Tickets are subject to availability and on a first come first served basis.

NB: The cost of tickets is the sole responsibility of conference delegates. If you purchase tickets and don't show up, we cannot provide a refund.

Buses Depart @ 1:15 pm ET [Meet in Hotel Lobby]
